Dear Peter:

I certainly have enjoyed having Profit Motivators International assist the Grand Junction Police Department in meeting some of its goals.

Your staff, in particular John Lochner, has done a very good job for us. Nearly all of the suggestions for improvement have been implemented to date. I want to encourage you to continue your work with the various governmental agencies. I know the City of Grand Junction has benefited from its partnership with PMI.

If I can be of any assistance to you in recommending Profit Motivators International to other Police Departments, please do not hesitate to contact me. Good luck!

Sincerely,

GRAND JUNCTION POLICE DEPARTMENT
